

"I was scared. It hurt at first, but now I feel okay."

It felt like a prick and it was better than I thought. - Clara Groteboer

I liked the ~~shot~~^{COVID} shot it was awesome - Weston Groteboer

It is easy, and does not hurt.

It was easy and it didn't hurt.

(COVID shots 11/6/21)

My experience with the vaccine was easy and wonderfully great. It did not hurt at all. The next day I had a throatache the next day but my aunt gave me tylenol and it was gone with in a hour. I persuade you to get the vaccine because you can do fun things now. Like now I may go to atlanta. Therefore get
