TOBY
I WAS A LITTLE
nervous and excited
NERVOUS and EXCITED

I am happy to get so I can feel more safe
and so I can train my marshall arts inside instead
of outside.

SCARED - NERVOUS
GLAD IT IS DONE! ELZA

Before I felt scared a little, during
it, it hurt BUT after I got my
first shot and I'm ~~gonna~~ gonna
be able to see my FRIENDS
in person,

it was scary. I think I
was scared. but now I
know ~~what~~ what the second
shot will feel ~~like~~ like.
